Effective April 24, 2020, in response to the COVID-19 pandemic and the resulting changes in service delivery in the community, we will be extending supportive housing application approvals to August 31, 2020. This extension applies to approved supportive housing applications that have expired as of March 15, 2020 through the extension date listed above. To view the updated determination letter please log into PACTWeb.

If you have any additional questions you may contact the PACT reviewer. The reviewer's information is located on the first page of the determination letter. If you are experiencing technical issues you may contact our user support at hracassupport@hra.nyc.gov.
